## Welcome to this church.

Our church follows Jesus' instruction to us all, "*Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do;*"

*John 14:12*

Christian Scientists know that Christian healing occurs when we follow Jesus' teachings and allow the Christ into our lives. Our lives focus on understanding God better. As we do so, we learn more about ourselves as His children.

Attend our church and begin to learn more of God's great love for His creation.

### Church Services and Sunday School

#### ▪ **Sunday Services**      **10:00 a.m.**

Bible Lesson Sermon readings for Sunday morning are from the Bible and *Science and Health with Key to the Scriptures*. Citations are shown in the Christian Science Quarterly Bible Lesson booklet. Christian Scientists study the Bible Lesson during the prior week to gain spiritual insight, guidance and healing in their daily activities.

#### ▪ **Wednesday Evening Testimony Meetings**      **7:30 p.m.**

Wednesday readings are from the Bible and *Science and Health with Key to the Scriptures* by Mary Baker Eddy, and are followed by testimonies of Christian Science healing. Testifiers tell about how they prayed, how effective this prayerful study was for them and the inspiration gained from their spiritual work. Relationships, physical ailments, business challenges and emotional problems can all be healed through the study of Christian Science.

#### ▪ **Sunday School**      **10:00 a.m.**

Sunday School is provided for young people up to the age of 20. Children under 12 years of age should be accompanied by a parent or guardian when enrolling in Sunday School. Visiting pupils are welcome.

Instruction is given in Bible history and the study of Mary Baker Eddy's primary work, *Science and Health with Key to the Scriptures*. Students learn the Ten Commandments and the Beatitudes. They are encouraged to apply Jesus' teachings in their daily lives, using his practical healing methods.

Children too young for Sunday School are cared for in the Children's Room during our Sunday services and Wednesday evening meetings.

## Christian Science Practitioners

Practitioners are people who have chosen to work as full-time healers. The *Christian Science Journal* has a worldwide directory. No matter what the problem is, you may call them for healing treatment. They are always ready to help.

## Mary Baker Eddy

Mary Baker Eddy is the Discoverer and Founder of Christian Science. Raised a devout Congregationalist, she had always loved reading and studying the Bible. Her healing in 1866, from a fall on ice, led to the discovery of this practical Science.

“My immediate recovery from the effects of an injury caused by an accident, an injury that neither medicine nor surgery could reach, was the falling apple that led me to the discovery how to be well myself, and how to make others so.”

“The Bible was my textbook. It answered my questions as to how I was healed; but the Scriptures had to me a new meaning, a new tongue. Their spiritual signification appeared; and I apprehended for the first time, in their spiritual meaning, Jesus' teaching and demonstration, and the Principle and rule of spiritual Science and metaphysical healing, — in a word, Christian Science.”

*Retrospection and Introspection*,  
Pages. 24:12-16, 25:3-9

## Readers In Churches

Christian Science churches do not have ordained ministers. Our Pastor is the Bible and *Science and Health with Key to the Scriptures*. Mrs. Eddy established a First Reader and a Second Reader so that no specific personality would be associated with the word of God. The Readers are democratically elected by the membership.

Complimentary copies of the King James Version of the Bible and *Science and Health with Key to the Scriptures* by Mary Baker Eddy are available. Ask an usher.
