**Dear Friends of the JMCSRRLA**

**Volunteers - Step Up!**

Please consider this your personal invitation to participate in a Most important, Movement-supporting activity. Of course I'm talking about the one-to-one-at-a-time outreach program that we know as the Jointly Maintained Christian Science Reading Room of Los Angeles. We are looking for a few, in-good-standing members to work on Thursdays and Fridays. Call 213-928-0920 or Email the Librarian with questions.

**From The Librarian**

Coming Soon! Lunch Lectures on the Water Court!!

In February the JMCSRRLA will begin offering luncheon visitors to the Water Court the opportunity to bring their lunch into the Reading Room and enjoy a talk on a timely topic which will amplify and illustrate how Christian Science addresses ANY challenge presented to our experience.

Taken from the on-line archives of the Board of Lectureship and displayed via computer onto the wide screen of a recently acquired Sony counsole - the talks will be yet another reason for passers-by to become visitors to the sunny and spacious confines of our beautifully situated Reading Room.

(Closed Major Holidays)

Our Downtown location continues to be a destination for visitors from all over the world. Recent guests have included the CoP of Mexico, employees of the Japanese Consulate and the Matinez Family visiting Los Angeles from Montevideo, Uruguay. All were impressed by the sparkling tree-top views of Angels Knoll Park and the LA Skyline that can be seen through the windows that form three sides of our location.
